

## *Let Us Be Your Education Partner*

**Young Rembrandts** is the art program with a difference that is now offering classes at your school. Please allow us to introduce ourselves.

In the same way you teach math, science and reading, we teach core drawing skills. Our program dispels the myth that art is a talent a child has or doesn't have. We view drawing—the **fundamental skill of all visual arts**—as a teachable skill that any child can and **should** learn.

### **Drawing Curriculum Available:**

- Mysterious World of Egypt, African Safari Adventure, or Tour of Australia
- Space Exploration or Dinosaurs
- Desert or Ocean
- Early Explorers and/or Native Americans
