Young Rembrandts 30th Anniversary

January 25, 2018

Young Rembrandts

Young Rembrandts is commemorating their 30th Anniversary milestone by giving back to Sacramento with a specially dedicated drawing session where students currently enrolled at various schools across the city will be invited to donate art supplies to benefit the Mustard Seed School, a free private school for homeless

children, from Jan. 29 – Feb. 2 at all 28 Young Rembrandts scheduled elementary classes across Sacramento. Paper bags will be decorated with Young Rembrandts artwork and then filled with the donated art supplies such as colored pencils, crayons, markers and sketch paper.
