MILLS ELEMENTARY

Back-to-school is bursting with creativity at YR! During this semester, students will explore a fascinating world of characters, patterns, texture and vibrant color. Appetites don't stand a chance against a realistic Pizza drawing, which will teach students about proportion, detail, and shading. Our adorable Baby Sloth will help students practice expression and character design, while our art history portrait of Hiawatha introduces cultural appreciation and portrait composition just in time to celebrate fall. Each lesson blends imagination with strong art fundamentals – sign up today! FOR 1ST - 5TH GRADERS. All materials included.

Important: Young Rembrandts classes are highly structured requiring a great deal of focus. Please consider the learning environment when deciding whether to enroll your student.
