**Fresh art is coming...  
VISIT OUR NEW  
WEBSITE!**

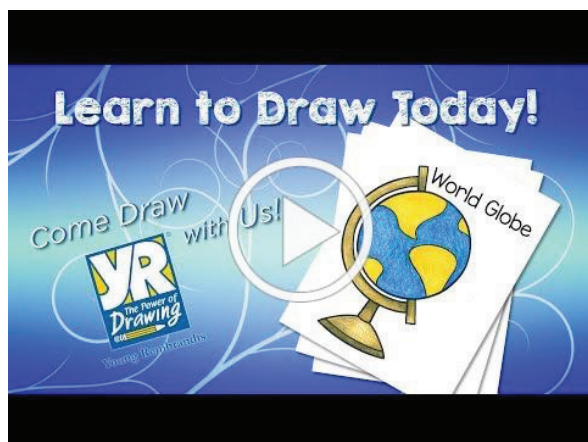

The same impressive method and all new lessons on a brand new website.

Our fun drawing classes offer child-friendly and relevant subject matter to spark interest and increase knowledge retention. Through the process of weekly instruction Young Rembrandts students are exposed to a wide variety of subject matter, artistic concepts, art history and mastery of their materials.

## ...Sharpen Those Pencils...

We can't wait to be a part of your after-school routine. New art is right around the corner, so sharpen those pencils and dust off the fine motor skills. Here are two videos to help prepare your kid's hands and minds for all the fun about to come!
